Be a Part of Hach End Year
Promotion!

Enjoy special prices from Hach and fill up your stock

Chemicals are important in supporting your analysis, especially in water quality analysis. Therefore good management is needed in controlling the availability of these chemicals in your warehouse. The year end promotion program would like to support you in keeping your water quality analysis running well with the special price offer.

Benefits

-  • Cheaper price - time to invest more
-  • Free method development and technical consultation
-  • Free refresher training
- Saves a lot of time by minimizing Process Time
- Reduce down time - Avoid zero stock and shipment delays that impact down time analysis

**SPECIAL
OFFER**
Get additional
discount in your
end year
purchased!
